

New Support for the Ketogenic Diet

neokeTM
MCT70

- 70% concentrated medium chain triglyceride (MCT) powder
- Highly soluble, great tasting
- Allergen-free of egg, soy, wheat, fish, crustacean, corn, tree nuts, and peanut
- GMO-free, contains lactose
- Support for all ketogenic diet types but ideal for MCT KD
- MCTs are more ketogenic than long-chain triglycerides (fats)¹
- MCTs are readily hydrolyzed and absorbed directly into the portal circulation

neokeTM
BCAA4

- Pure, Instantized, unflavored and soluble powder
- Branch Chain Amino Acids (BCAAs) in the ratio of 4:1:1 for L-leucine to L-isoleucine to L-valine
- Double strength of L-leucine, which is the most ketogenic of the BCAAs
- Allergen-free of egg, wheat, fish, crustacean, corn, tree nuts, and peanut. Contains soy
- Increased flexibility by maintaining level of ketosis with lower dietary fat levels²
- May increase the effectiveness of the Ketogenic Diet (KD) at lower fat:protein ratios²
