

PreKULab Ltd.
Revvej 41
DK-4220 Korsør

Batch no: 221900B
Exp. date 05/2025

Directions for Use: Use under medical supervision. Total number of tablets must be taken 3 or more times per day with meals. Always take tablets with food and at least 8 fl.oz. of water. Intake of tablets should be separated throughout the meal.

Suggested Intake: 1 tablet per kg of body weight per day (1 tablet/kg/d). Daily intake to be determined by your healthcare professional specialized in metabolic disorders.

Warning: For individuals with PKU only. Not to be used by individuals less than 8 years of age. Do not use NeoPhe tablets if you are pregnant or planning a pregnancy. If you become pregnant, stop taking NeoPhe immediately and consult your doctor.

Storage: Store in a cool dry place away from direct sunlight. When not in use, reseal and keep container closed.

NeoPhe®

Medical Food

A Medical Food for the dietary management of Phenylketonuria (PKU). Not for the general population of consumers.

Phenylalanine free, Large Neutral Amino Acid (LNAa) tablets that allow an individual (with proven PKU) under medical supervision to follow a more relaxed diet plan.

Net: 550 tablets
 1 tablet = 685 mg
