

Solace Nutrition is dedicated to offering specialized nutritional products for rare metabolic disorders.

- Our first focus is to understand how we can help, as such we have products that typically help conditions with small patient populations.
- Many of our products are concentrated, single ingredient formulations in convenient product forms
- USA-based production to ensure products are safe & clean to best level possible – free of allergens, additives, flavorings, preservatives, and GMO's

# Metabolics

Specialized formulas to aid management of inborn errors of metabolism (IEM)

PRODUCT	NDC CODE	METABOLISM TYPE	FORM	DISEASE / CONDITION	KEY/ACTIVE INGREDIENT AND DIFFERENTIATOR
GlyMAX	57771-0001-19	Amino Acid metabolism	Powder	Multiple acyl-CoA-dehydrogenase deficiency (MADD), Organic Acidemias	Glycine, pure, soluble and slight sweet tasting
PreKUnif	57771-0001-42	Amino Acid metabolism	Tablets	Phenylketonuria (PKU)	Unflavored LNAA tablets, 1st generation
NeoPhe	57771-0001-43	Amino Acid metabolism	Tablets	Phenylketonuria (PKU)	Unflavored LNAA tablets, 2nd generation
NeoPhe	57771-0001-44	Amino Acid metabolism	Powder	Phenylketonuria (PKU)	Flavored LNAA tablets, 2nd generation
Galaxtra	57771-0001-09	Carbohydrate metabolism	Powder	Congenital Disorders of Glycosylatin PGM1	Unflavored 100% D-Galactose powder, non-GMO, plant-based
Mannxtra	57771-0001-21	Carbohydrate metabolism	Powder	Congenital Disorders of Glycosylatin PGM1b	Unflavored 100% mannose powder, soluble, hypoallergenic
LDL CARE	57771-0001-37	Lipid metabolism	Powder	Errors of Lipid Metabolism such as Hypercholesterolemia, or Hyperlipidemia	Unflavored 100% plant stanol and sterol powder, dispersible
CholexMAX	57771-0001-33	Synthesis disorders	Powder	Smith-Lemil-Optiz syndrome (SLOS), Cholesterol Synthesis disorders	Unflavored 100% cholesterol non- soluble powder
Cholextra t/f	57771-0001-31	Synthesis disorders	Powder	Smith-Lemil-Optiz syndrome (SLOS), Cholesterol Synthesis disorders	Unflavored 10% cholesterol powder, soluble, designed for tube feeding
V6 PSP	57771-0001-32	Vitamin Responsive disorders	Powder	Vitamin B6 Responsive disorders	Unflavored 10% Vitamin B6 Pyridoxal 5-Phosphate (P5P) powder, soluble, reduced form for enhanced absorption
V7 MAX	57771-0001-25	Vitamin Responsive disorders	Powder	Biotin Responsive disorders	Unflavored 10% Biotin powder, soluble, highly concentrated
V12 MAX	57771-0001-27	Vitamin Responsive disorders	Powder	Cobalamin Disorders, Urea Cycle Disorders, Methylmalonic Acidemia	Unflavored 1mg/mL hydroxocobalamin liquid, high concentration
