July 2020

Dear NanoVM t/f Customer:

The NanoVM t/f formula has been updated to add Vitamin K<sub>2</sub>, Choline and a change in Folate.

When formulations change, powder quantities, carbohydrate levels, scoop sizes, weights change, and powder color mixed with water as well.

Nutrients	Serving Size 2 unpacked, level scoops	
	New Formulation	Old Formulation
Choline	150 mg	Not present
Vitamin K <sub>2</sub>	38 mcg	Not present

Nutrients	Ingredient Source	
	New Formulation	Old Formulation
Folate	L-5-MTHF-Ca	Folic Acid

1 unpacked, level scoop of powder = 5.5 g  
2 unpacked, level scoops of powder = 11.2 g

	New Formulation	Old Formulation
Powder fill	275 g	275 g
Formula nutrients	14 vitamins, 13 minerals, choline	13 vitamins, 13 minerals
Carbohydrates	0.56 g	0.05 g
Weight of 2 scoops of powder (1 serving)	11.2 g	10.8 g

Solace Nutrition hopes that you continue to benefit from this unique vitamin-mineral supplement. For information, please visit our website at [www.solacenutrition.com](http://www.solacenutrition.com) or call (888) 8 SOLACE.

Sincerely,  
Solace Nutrition
