

Directions for Use:

1. Daily intake to be determined by a healthcare professional.
2. Measure the needed number of level, unpacked scoops of powder.
For more accuracy, the use of a gram scale is recommended.
3. Mix the powder into moist foods, purees or liquids.
4. For liquids, add powder in increments and stir to ensure that powder goes into solution.

Storage: Store in a cool dry place. Once opened, reseal bottle and use within 30 days. Product contains iron – keep out of reach of children.

Warning: Women and children have distinct nutritional needs, particularly for iron and Vitamin A. This product is not designed to be consumed by pregnant women and children.
