

**Directions for Use:** Suggest to take 2 unpacked, level scoops of powder per day or as directed by your healthcare professional.

1. Invert bottle several times to mix powder
2. Open bottle and measure 1 level scoop of powder (do not pack powder)
3. Mix powder into moist foods or thickened liquids
4. If daily dose is more than 1 scoop, repeat steps 2 and 3

**Warning:** Accidental overdose of iron containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of the reach of children. In case of accidental overdose, call a doctor or poison control center immediately.

**Caution:** Children, pregnant women or women who may become pregnant should not use more than 10,000 IU per day of Vitamin A (Retinol) except under the advice of a physician.

**Storage:** Store in a cool dry place. Once opened, reseal bottle and use within 60 days.
