

Directions for Use: Suggest to take 2 unpacked, level scoops of powder per day or as directed by your healthcare professional.

1. Measure 1 level scoop of powder (do not pack powder)
2. Mix powder into moist foods or thickened liquids
3. If daily dose is more than 1 scoop, repeat steps 1 and 2
4. For higher dosing precision, use a gram scale to measure the powder

WARNING: Consult your physician before use if you are pregnant, nursing, have a medical condition, or are taking any medication. Keep out of reach of children.

Storage: Store in a cool dry place. Once opened, reseal bottle and use within 90 days.
