

Directions of Use: PureCarb® is soluble in formula & thick liquids and can be consumed either orally or via tube feeding. The daily intake of PureCarb® powder should be determined by your healthcare professional.

Oral or Tube Feeding

1. Measure (using the scoop provided or a gram scale) the recommended amount of PureCarb® powder ensuring that powder dissolves.
2. For oral, consume powder by either sprinkling on food or into liquids.
3. For tube feeding, add powder in small increments to the formula (room temperature) and stir well. PureCarb® powder and formula mixture should be used within 4 hours

Warning: Not for use as a sole source of nutrition. Ensure that all powder remains in solution.

Storage: Unopened bottles should be kept in a cool, dry place. Reseal unopened bottles and use within three months.

PureCarb®

Sustained Energy Carbohydrate Powder

Proprietary & soluble blend of simple and complex carbohydrates

Allergen tested and analyzed at No Detectable Limit (NDL) for egg, dairy, fish, crustacean, soy, gluten, tree nuts, and peanut.
